

## Funeral and Cemetery Trust Services

### Why should you choose Regions Morgan Keegan Trust for your funeral and cemetery trust needs?

The funeral and cemetery trust industries are special types of businesses — they are highly regulated and geographically different.

As a national provider of Funeral and Cemetery Trust Services, our clients are served by the only dedicated Funeral and Cemetery Trust Division within any major financial institution in the United States

As the leader in this area of fiduciary planning we offer a complete line of products and services:

- > Establishing a Funeral or Cemetery Trust (state approved documents and regulatory compliance)
- > Investments designed to meet your business goals while maximizing growth or earnings and meeting state investment guidelines
- > 24/7 online statements and trust administration providing accurate trust account information when you need it
- > Custody of assets in a financial institution that is a Top 10 bank in the U.S.
- > Individual contract record-keeping through our outsourced partners
- > Customer service by professionals that do nothing but Funeral and Cemetery Trust administration
