

Credit Card Agreement for Cash Rewards, Prestige, Premium and Life Visa® Credit Cards

This document, together with the “Account Summary Table” on the accompanying card carrier, form the “Agreement” that governs the credit card account established for you by Regions Bank (“Account”) and each Visa credit card or other device issued to access the Account (a “Card”). In this Agreement, “we,” “us” and “our” mean Regions Bank, and “you” and “your” mean each person who applied for or otherwise agreed to be responsible for the Account. If we use a capitalized term in this Agreement but we do not define that term, the term refers to the corresponding term used in your billing statement. Please read and keep these documents for your records. By keeping, using or permitting others to use the Account or any Card, you accept the terms of this Agreement.

Important Terms of Your Account

Term	What It Means To You	Our Rights and Responsibilities
Credit Limits	<p>We will give you a credit limit for your Account. We also may give you different limits for different types of transactions. For example, we may tell you that you can only use part of your credit limit for Cash Advances. We will tell you the initial credit limits for your Account on the card carrier. You agree not to attempt any transaction that would cause any outstanding balance on your Account to exceed the credit limit for that balance. If any balance on your Account goes over the credit limit for any reason, we may require you to pay the amount that is over the limit right away.</p>	<p>Your billing statements also will show your credit limits and available credit. We may change your credit limits at any time, subject to any requirements or restrictions of applicable law.</p> <p>This Agreement applies to all transactions and balances on your Account, including any transaction that would cause any outstanding balance on your Account to exceed any of your credit limits.</p>
Default	<p>You will be in default under this Agreement if:</p> <ul style="list-style-type: none"> • You fail to make any payment required by this Agreement, • You fail to make any payment required by any other agreement you may have with Regions, or • You fail to keep any of your obligations under this Agreement or other agreement you may have with Regions. 	<p>If you are in default, in addition to our other rights under this Agreement and subject to applicable law, we can require immediate payment of the total outstanding balance owed on your Account. Unless prohibited by applicable law, we can also require you to pay our collection costs, attorneys’ fees, court costs and all other expenses we incur to enforce our rights under this Agreement, as described more fully below in the “Collections” section.</p>
Changing Terms	<p>We may change the terms of this Agreement (including interest rates, fees and other charges) at any time. These changes may include adding or deleting terms.</p> <p>If you have the right to reject any change, and if you reject the change in the manner provided in our notice of the change, we may terminate your right to receive additional credit under this Agreement and may ask you to return all Cards, Access Checks and other credit devices as a condition of your rejection. In addition to our right to change the terms of this Agreement, we also may replace your Card with another Card at any time.</p>	<p>We may change these terms based on changes to your risk profile, such as changes to your payment patterns, transaction patterns, balance patterns, and utilization levels of this and other accounts, credit bureau information (including the age, history and type of other accounts), and relationships between each and all of these measures of risk. We may also change terms for reasons not related to your individual credit history, such as overall economic and market trends, changes in applicable law, product design, and business needs. If we plan to change this Agreement, we will comply with the notice requirements and any other restrictions of applicable law that are in effect at that time.</p>

Using Your Account

You may use your Account for the types of transactions described below. You may not use a Balance Transfer, Access Check or any other Cash Advance to make a payment on this or any other account with us or our affiliates. You may not use or permit your Account to be used for any illegal transaction. You may use your Account only for transactions that are legal where you conduct them. We may charge your Account for any illegal transactions, and we will not be liable if you engage in an illegal transaction. We may deny authorization of any transactions identified as Internet gambling. You may

not use your Account to conduct transactions in any country or territory, or with any individual or entity that is subject to economic sanctions administered and enforced by the U.S. Department of the Treasury's Office of Foreign Assets control ("OFAC"). Use of your Card in those countries will be blocked.

Transaction	What It Means To You	Our Rights and Responsibilities
Purchases	You may use your Account to buy or lease goods or services.	All Transaction Fees and adjustments associated with Purchases, as well as any Late Fees, Annual Fees and other fees listed in the "Account Fees and Charges" section below, will be treated as Purchases under this Agreement.
Balance Transfers	You may request us to make an advance from your Account to pay a balance you owe to another creditor. From time to time, we may offer you the option to use a special Access Check to make a Balance Transfer. Except for any such special offer, Balance Transfers do not include balances you pay using an Access Check.	We permit Balance Transfers from most non-Regions credit card accounts. We reserve the right not to permit Balance Transfers from other Regions loans or accounts. All Transaction Fees and adjustments associated with Balance Transfers will be treated as Balance Transfers under this Agreement.
Cash Advances	<p>You may obtain cash or other advances in any of the following ways:</p> <ul style="list-style-type: none"> • From us, another financial institution, a non-financial institution, or automated teller machine that accepts your Card. • By using a check we may provide to you to access your Account (an "<u>Access Check</u>"), as described more fully below in the "Access Check Transactions" section. • By purchasing items that can be traded right away for cash, such as money orders, traveler's checks, lottery tickets or casino chips. • By placing bets or wagers (if legal). • By using an advance to send funds via wire transfer or other payment service, or to pay taxes, fines or similar amounts. • By getting an advance deposited to a Regions checking account if you are enrolled in an overdraft protection program under a separate agreement with us (an "<u>Overdraft Advance</u>"). 	All Transaction Fees and adjustments associated with Cash Advances will be treated as Cash Advances under this Agreement.
Access Check Transactions	<p>Each Access Check must:</p> <ul style="list-style-type: none"> • Be fully completed and signed by the person whose name is printed on the Access Check, • Not be for an amount that would cause your Account to go over any of your credit limits, • Not be used if you are in default under this Agreement, if we suspended or closed your Account, or if we told you not to use the Account, Card or Access Checks for any reason, and • Not be postdated or stale. This means the date you put on the check cannot be a date which is either (1) later than the date we get it, (2) more than six months before the date we get it, or (3) after any expiration date provided for that Access Check. <p>If we return an Access Check because it does not meet any of these requirements, we may charge the Returned Check Fee described below in the "Account Fees and Charges" section. If we pay the Access Check anyway, you still have to pay us the amount of that Check</p>	<p>Your billing statement will show the amount of each Access Check we paid. We will not return Access Checks to you, but you may ask us for copies of paid Access Checks. For each copy we provide, we may charge you the Document Fee described below in the "Account Fees and Charges" section.</p> <p>You may ask us to stop payment on an Access Check or to cancel a stop payment request by calling us at 1-800-253-2265. When you make this request, you must provide us with the Access Check number, dollar amount, and payee exactly as they appear on the Access Check. Stop payment requests on an Access Check are effective for six months from the day that we place the stop payment. We need at least two (2) business days to be able to stop payment. We will not be liable to you or anyone else if we stop (or do not stop) payment [or cancel (or do not cancel) a stop payment request] on an Access Check. If you request us to stop payment, we may charge the Stop Payment Fee described</p>

	and any applicable interest or fees. Unless required by applicable law, we do not have to pay any Access Check.	below in the “Account Fees and Charges” section, whether or not we actually stop payment.
Promotional Transactions	We may offer a limited time introductory or other promotional interest rate on certain transactions on your Account that are lower than the standard rates for those types of transactions (“ <u>Promotional APRs</u> ”) and/or limited time introductory or other promotional transaction fees (“ <u>Promotional Fees</u> ”) that may be higher or lower than the standard fees provided below in the “Fees and Charges” section.	We will explain the terms and conditions of any promotion when making the offer. Except as we tell you in a promotional offer, the rest of this Agreement will apply to transactions at the Promotional APR or with the Promotional Fee. Subject to any requirements of applicable law, we may terminate any Promotional APR if we do not receive any required payment on your Account by the Payment Due Date.
Term It Plans	<p>We may offer you the option to create a plan (a “<u>Term It Plan</u>” or “<u>Plan</u>”) to pay off certain recent Purchases on your Account in substantially equal monthly installments over a specified period of time (the “<u>Repayment Period</u>”). To be included in an offer, a Purchase must be at least a specified dollar amount that we determine, which we may change any time.</p> <p>We have no obligation to offer you the option to create a Plan. In determining whether to offer any Plans to you, we will consider your creditworthiness (including your repayment history for this Account), the amount of credit available on your Account, and other factors. We may limit the number of outstanding Plans you may have, and we may change this number at any time.</p> <p>At the time of any offer, we will provide the terms of each offered Plan, including the annual percentage rate (“<u>APR</u>”), the Repayment Period, and the amount of the monthly payment that would be required to pay off the Plan during the Repayment Period (the “<u>Term It Payment</u>” or “<u>Plan Payment</u>”).</p>	<p>When you create a Plan to pay off a Purchase, we will credit the amount of that Purchase to your Purchase balance as of the same day that the new Plan posts to your Account. At the end of the Repayment Period for each Plan you create, the Plan will expire. If you have not paid the full amount owed on any Plan by the end of its Repayment Period, this outstanding balance will be transferred to your Purchase balance.</p> <p>At our option, we may choose to terminate any Term It Plan if:</p> <ul style="list-style-type: none"> • After you create a Plan, we are required to reduce the APR on the Plan by the Servicemembers Civil Relief Act or similar state laws; • You have not paid your Minimum Payment Due for any two or more consecutive billing cycles during the repayment period for the Plan; • You file for bankruptcy or some other insolvency proceeding is filed by or against you; • You do not honor the terms of this Agreement; • You are declared incompetent or mentally incapacitated or in the event of your death; • You request temporary payment relief due a natural disaster or other hardship; or • Your Account is closed when you enter into a hardship assistance program. <p>We also have the right, but no obligation, to terminate a Term It Plan upon your request. If a Plan is terminated for any reason, the full amount owed on that Plan will be transferred to your Purchase balance. Once a Plan is terminated, the outstanding balance cannot be placed in another Plan.</p> <p>If the outstanding balance for any expired or terminated Plan is transferred to the Purchase balance for your Account, we will apply the same APR to this Purchase balance that had applied to the Plan, except as otherwise required by applicable law.</p>
Term It Payment	For each Plan you choose to create, we will include the Term It Payment in the Total Minimum Payment Due shown on your billing statements during the Repayment Period for that Plan. The amount of each Term It Payment is calculated on the assumption that you will make	For any Term It Plan, the Term It Payment is disclosed to you at the time you agree to create the Plan. We calculate each Plan Payment based on the amount of the Purchase placed in the Plan, the applicable interest rate, and the Repayment Period, rounding to the nearest

	<p>each Plan Payment on the Payment Due Date. If you do not make each Plan Payment by the Payment Due Date, you may not pay off the Plan before it expires and is transferred to your Purchase balance, as explained in the "Term It Plans" section above.</p>	<p>penny. The actual interest charged on any Term It Plan will be calculated as described in the "Interest Charges" section below.</p>
<p>Automatic Charges</p>	<p>You may authorize others to make automatic and recurring charges to your Account. It is your responsibility (not ours) to notify anyone you are paying through automatic charges if your Card number or expiration date changes or if your Account is closed or suspended.</p> <p>If you wish to cancel any recurring charges that you previously authorized, you must notify the merchant (not us) that you are terminating your authorization for those charges.</p>	<p>If you have set up recurring preauthorized charges with a merchant and we issue a new credit card with a different number and/or expiration date to you, for your convenience we may (but are not obligated to) make available your new card number and/or expiration date so that those charges may continue.</p>
<p>Foreign Transactions</p>	<p>Any transaction that is made in a foreign currency will be converted to U.S. dollars. Foreign transactions include, for example, online purchases from foreign merchants and Cash Advances obtained from an ATM or financial institution in another country.</p>	<p>If you make a transaction in a foreign currency, the transaction will be converted by Visa International into a U.S. dollar amount in accordance with the operating regulations or conversion procedures in effect at the time the transaction is processed. Currently, those regulations and procedures provide that the currency conversion rate to be used is either (1) a wholesale market rate or (2) a government-mandated rate in effect one day prior to the processing date. The currency conversion rate in effect on the processing date may differ from the rate in effect on the transaction date or posting date.</p>
<p>Authorizing Transactions/ Suspending and Closing your Account</p>	<p>We may limit the number or dollar amount of transactions on your Account. We are not obligated to authorize or honor any transaction, even if you have credit available. A merchant does not have to accept your Card, Checks or Account. We will not be liable to you or anyone else if (1) we do not authorize a transaction or we decline to pay an Access Check, regardless of the reason, or (2) a merchant will not accept your Card, Checks or Account. Also, we will not be liable to you or anyone else for goods or services you bought or leased using your Account, or if your Card is retained by us, any other financial institution, or any merchant.</p> <p>You may close your Account by notifying us in writing at the address shown on your billing statement or by telephone at 1-800-253-2265.</p> <p>After your Account is closed, whether by you or us, you no longer may make transactions on your Account, but your obligations under this Agreement will continue until we receive full payment of all amounts owed under this Agreement, including the outstanding balance for any Term It Plans you created.</p>	<p>We may suspend or close your Account or otherwise terminate your right to use your Account. We may do this at any time, for any reason and, unless required by law, without first notifying you. Your obligations under this Agreement continue even after we have done this. Upon our request, you must destroy all Cards, Access Checks or other credit devices on the Account.</p> <p>After your Account is closed, you must contact anyone authorized to charge transactions to your Account, such as internet service providers, health clubs or insurance companies. These transactions may continue to be charged to your Account until you change the billing. Also, if we believe you have authorized a transaction or are attempting to use your Account after you have requested to close the Account, we may allow the transaction to be charged to your Account.</p>

Your Payment Obligations

You promise to pay us for all transactions on your Account, including those by anyone whom you allow to use the Account. You also promise to pay any interest, fees and other amounts you owe us under this Agreement. We will send you billing statements that show the amount you owe, the minimum amount you must pay for a particular billing cycle, and

the date on which that required payment is due. You agree to review each statement upon receipt, and to call us promptly at 1-800-253-2265 about any suspicious transactions on your Account.

Term	What It Means To You	Our Rights and Responsibilities
<p>How and Where to Make Payments</p>	<p>Your payments must conform to the requirements provided in this Agreement and each billing statement. The requirements on the statement may vary without prior notice. All payments must be made in U.S. dollars, and drawn on a financial institution located in the United States. You should mail your check or money order, with the payment coupon from each statement, to the address shown on the payment coupon.</p> <p>You may not use a postdated check to make a payment. If you postdate a payment check, we may cash it upon receipt or return it to the person who sent it, in either case without waiting for the date shown on the check. We are not liable to you for any loss or expense you incur that arises out of any action we may take.</p> <p>Any payments marked “paid in full” must be mailed to the address for disputed payments shown on the back of your billing statement, and not to the general payment address shown on the payment coupon included with your statement.</p> <p>Except as required by law, no payment, including those marked with “paid in full” or with any other restrictive words, shall operate as an accord and satisfaction without the prior written approval of one of our senior officers.</p>	<p>For payments mailed to the address on the payment coupon:</p> <ul style="list-style-type: none"> • We will credit each payment as of the date it is received if (1) the payment is received by 5 p.m. local time at this address, and (2) the payment meets the requirements of this Agreement. • Payments received after 5 p.m. local time at this address on any day (including the Payment Due Date), but that otherwise meet the requirements of this Agreement, will be credited as of our next business day. • Credit for any other payments may be delayed up to five (5) days. <p>For other payments:</p> <ul style="list-style-type: none"> • If we let you pay at a bank branch, we will credit the payment as of the day we receive it. • If we let you pay online or by phone, we will tell you how to pay and when your payment will be credited. <p>We may delay increasing your available credit for up to 10 days after you make a payment.</p> <p>We can accept late payments, partial payments, or payments with any restrictive writing without losing any of our rights under this Agreement.</p>
<p>Minimum Payment Due</p>	<p>You may pay your Account in full at any time without penalty. Among other information, each billing statement will show you:</p> <ul style="list-style-type: none"> • The total outstanding balance owed on your Account (the “<u>New Balance</u>”); • The outstanding balance owed but not yet due on each Term It Plan (a “<u>Plan Balance</u>”); • The combined total of all Plan Balances (the “<u>Total Plan Balance</u>”); • The “<u>Adjusted New Balance</u>”, which is the New Balance minus the Total Plan Balance; and • The combined total of all Plan Payments that are currently due on the Account (the “<u>Total Plan Payment</u>”). <p>To calculate the New Balance at the end of each billing cycle, we start with the New Balance from the previous cycle. Then we add any new transactions in the current cycle, and subtract any payments or credits received during that cycle. Finally we add any fees and interest that accrued during the cycle, and make any necessary adjustments, such as for disputed transactions.</p> <p>For each billing cycle, you must pay at least the Total Minimum Payment Due shown on your billing statement by its Payment Due Date. The Total Minimum Payment Due for each billing cycle will be:</p>	<p>If a payment is credited to your Account but is returned unpaid in a later billing cycle, we will recalculate the Total Minimum Payment Due for the billing cycle in which the payment was originally credited.</p> <p>If you overpay or otherwise have a credit balance on your Account, we will not pay interest on the credit balance. We will send you a refund for any credit balance as required by law or earlier at your request. If a credit balance of less than \$1 has remained on your account for at least 6 months (for example, because you have not used your account or requested a refund), you agree that we may automatically remove that credit balance, and you waive any claims you may have to that credit balance.</p> <p>We reserve the right to reject any payment if your Account has a credit balance as of the day we receive that payment.</p> <p>Generally, credits to your Account, such as refunds from merchants, are not treated as payments and may not be applied toward your Total Minimum Payment Due. We will choose how to apply a credit to your existing Account balances. A merchant credit for a Purchase that was included in a Term It Plan will not automatically be credited to that Plan.</p>

	<ul style="list-style-type: none"> • Any past due amount; • Any new Late Fee; • Any Term It Payment; and • The greatest of: <ul style="list-style-type: none"> (1) The total of <ul style="list-style-type: none"> (a) one percent (1%) of your Adjusted New Balance (excluding any new Late Fee or new interest charges on that balance), rounded to the nearest penny, and (b) any interest that accrued on the Adjusted New Balance during that cycle, with this total rounded down to the nearest dollar; (2) The Adjusted New Balance, if it is less than \$25; or (3) \$25 if the Adjusted New Balance is at least \$25. <p>Payments made in any billing cycle that are greater than the Total Minimum Payment Due will not affect your obligation to make the Total Minimum Payment Due for the next billing cycle.</p>	<p>If you believe a merchant credit has not been applied properly, please contact us at 1-800-253-2265.</p>
<p>Grace Period on Paying Interest</p>	<p>A "<u>Grace Period</u>" is any period of time when no interest accrues on certain transactions or balances.</p> <ul style="list-style-type: none"> • For Purchases placed in a Term It Plan – Once a Purchase is placed in a Term It Plan, there is no Grace Period on that Purchase. • For all other Purchases: <ul style="list-style-type: none"> ➤ There is a Grace Period on Purchases if you pay your New Balance in full by the Payment Due Date shown on each billing statement. Where required by applicable law, we will not charge interest on any portion of a Purchase balance that is repaid by the first specified Payment Due Date after each Purchase was made if you paid the total New Balance for the previous billing cycle by the specified due date. ➤ If you have a Term It Plan, generally there is a Grace Period if you pay the combined amount of the Adjusted New Balance (which is your New Balance minus the Total Plan Balance) and the Total Plan Payment by the Payment Due Date shown on each billing statement. However, as explained in the "Payment Allocation" section below, if the APR for a Term It Plan is higher than the APR for your other balances, we must apply any payment in excess of your Total Minimum Payment Due to your Term It Plan balance before applying it to your other balances. In this situation, your payment would reduce your Term It balance but may not pay your other balances in full, which means you could be charged interest on Purchases. • For Balance Transfers and Cash Advances – There is no Grace Period. 	<p>Your Payment Due Date is at least 21 days after the closing date for each billing statement.</p> <p>Except as described in this section, if you do not pay the Adjusted New Balance and any Term It Payment in full by the Payment Due Date, we will start charging interest on each new Purchase on the transaction date or the first day of the billing cycle in which the Purchase posts to your Account, whichever occurs later.</p>

<p>Payment Allocation</p>	<p>You may reduce the amount of interest you pay by making payments that are larger than the Total Minimum Payment Due. Because federal law requires payment amounts in excess of your Total Minimum Payment Due to be applied first to higher APR balances, these balances will be paid off more quickly and you will pay less interest on them than if you paid only the Total Minimum Payment Due.</p>	<p>If your Account has balances with different APRs, we will allocate the amount of any payment that is less than or equal to the Total Minimum Payment Due to the lowest APR balances first. Payment amounts in excess of your Total Minimum Payment Due will be applied to balances with higher APRs before balances with lower APRs.</p> <p>If you have a Term It Plan, you cannot direct your payment to be applied only to the outstanding balance owed on that Plan.</p> <ul style="list-style-type: none"> • If the APR for your Plan is <i>higher</i> than the APRs for other balances on your Account, any payment in excess of your Total Minimum Payment Due will be applied to your Plan. • If the APR for your Plan is <i>lower</i> than the APRs for your other balances, any excess payments will be applied to the other balances before your Plan balance. In this situation, you must pay your New Balance in order to pay off your Plan.
----------------------------------	---	---

Account Fees and Charges

You agree to pay (1) the fees and charges listed below, and (2) the Transaction Fees shown in the Account Summary Table, subject to any limitation of applicable law. We will not charge the Cash Advance Transaction Fee on any Overdraft Advance.

<p>Annual Fee: Your Account may be charged the amount (if any) shown in the Account Summary Table on the card carrier. If an Annual Fee applies to your Account, this fee will be charged to your Account when we issue the Card, and annually at the end of the month that includes the anniversary date of the opening of the Account. If applicable, it will be charged regardless of whether you use the Account, and is not refundable even if the Account is closed for any reason by either you or us.</p>
<p>Late Fee: You may be charged \$28 if the Total Minimum Payment Due shown on your billing statement is not received by us on or before its Payment Due Date. If a late fee was assessed any time in the prior six (6) billing cycles, then the amount of the late fee will be \$39. The Late Fee will not exceed the Total Minimum Payment Due immediately prior to assessment of the fee. If your balance is less than \$50, we will not assess a Late Fee.</p>
<p>Return Access Check Fee: You may be charged \$25 if we return an Access Check unpaid for any reason, even if the Access Check is paid upon subsequent presentment. The Returned Access Check Fee will not exceed the dollar amount of the Access Check.</p>
<p>Copy Fee: You may be charged \$5 for each copy of a billing statement or sales draft, except that the six most recent statements and one sales draft will be provided for free. We will not charge this fee if you reside in Delaware, Indiana, Kansas, Louisiana, Maryland, Pennsylvania, South Carolina, West Virginia or Wyoming. Regardless of where you reside, we will not charge for any statement or sales draft you request in good faith in connection with the resolution of any disputed billing matter.</p>
<p>Expedited Delivery Fee: You may be charged this Fee if you request and we agree to arrange for expedited delivery of any Card to you (for example, by an overnight delivery service). The amount of the Expedited Delivery Fee will depend on the type of delivery you choose to receive, and will be disclosed to you when you request expedited delivery. If you then confirm and we honor your request, we will charge the fee. We will not charge an Expedited Delivery Fee in Colorado, Delaware, Indiana, Kansas, Louisiana, Maryland, New York, Pennsylvania, South Carolina, West Virginia or Wyoming.</p>
<p>Stop Payment Fee: You may be charged \$25 for each stop payment requested on an Access Check, whether or not we actually stop payment, subject to any restrictions of applicable law. We will not charge a Stop Payment Fee in Colorado, Delaware, Indiana, Kansas, Louisiana, Maryland, New York, Pennsylvania, South Carolina, West Virginia or Wyoming.</p>
<p>Collection Costs: If you are in default, unless prohibited by applicable law we can require you to pay our collection costs, attorneys' fees, court costs and all other expenses we incur to enforce our rights under this Agreement. These costs may include reasonable fees to attorneys who are not our paid employees. We will not charge you for our collection costs if you owe us \$300 or less. We will not charge attorneys' fees that exceed 15% of the unpaid debt in Alabama, Colorado, Georgia, Kansas, Maine, Missouri, Montana, North Carolina, Oklahoma or South Carolina, 20% of the amount due in New York, or 25% of the unpaid debt in Louisiana. We will not charge attorneys' fees if the principal amount you owe us is less than \$1,000 in Idaho or Wyoming. We will not charge collection costs other than attorneys' fees if you live in Colorado, Delaware, Idaho, Indiana, Kansas, Louisiana, Maine, Maryland, New York, North Carolina, Oklahoma, South Carolina or Wyoming. We will not charge you attorneys' fees, court costs or other collection costs incurred as a result of your default if you live in Pennsylvania, West Virginia or Wisconsin.</p>

Interest Charges

The APRs and Daily Periodic Rates (“DPRs”) for your Account are shown on the Account Summary Table on the card carrier. We calculate each DPR by dividing the APR by the number of days in the year.

Variable APRs

Except for any Promotional APR, the APRs for your Account are variable rates. We calculate each variable APR by adding together an index and a margin. The margin used to calculate each APR is shown on the Account Summary Table on the card carrier. The index is the highest U.S. Prime Rate as published in the “Money Rates” section of The Wall Street Journal on the last publication day of each month. If The Wall Street Journal does not publish the U.S. Prime Rate, or if it changes the definition of the U.S. Prime Rate, the Bank may, in its sole discretion, substitute another index. An increase or decrease in the index will cause a corresponding increase or decrease in your variable rates on the first day of your billing cycle that begins in the same month in which the index is published. An increase in the index means that you will pay higher interest charges and have a higher Total Minimum Payment Due.

How We Calculate Interest

We use the average daily balance method (including new transactions) to calculate the interest owed on your Account for each billing cycle:

- We first figure out the average daily balance for each type of transaction. By type of transaction, we mean Purchases, Cash Advances, Balance Transfers, Term It Plans, and any such transaction subject to a promotional offer. If any portion of a Purchase balance received a Grace Period, that amount is not included in this calculation.
- To get the average daily balance for each type of transaction, we take the beginning balance for that transaction-type, which will include any unpaid balance on those transactions and any unpaid interest on those transactions.
- To the beginning balance, we add:
 - * For all transactions *other than Term It Plans during their Repayment Periods*, an amount equal to the applicable DPR multiplied by the previous day’s closing daily balance. If a Term It Plan has expired or been terminated and the outstanding balance for that Plan has been transferred to the Purchase balance for your Account (as described in the “Term It Plans” section above), we may add this amount to that balance. **This method of calculating the daily balance results in charging interest on unpaid interest (also known as compounding) and fees.**
 - * Any new transactions, applicable fees or other debits.
- Then we subtract any payments or credits. This gives us the daily balance. If any daily balance is less than zero we treat it as zero.
- Next, we add up all the daily balances for that transaction-type during the billing cycle, and then divide this total by the number of days in the billing cycle. This gives us the average daily balance.
- We multiply the average daily balance by the applicable DPR, and then we multiply the resulting amount by the number of days in the billing cycle to determine the amount of interest owed for that type of transaction.
- After calculating the amount of interest owed for each type of transaction, we add together these amounts to determine the total amount of interest owed on your Account for the billing cycle. If any interest charge is due, we will charge you at least the Minimum Interest Charge shown on the Account Summary Table.

We may use mathematical formulas or computer programs which produce equivalent results to calculate the average daily balance, interest charges and related amounts.

We add transactions and fees to your daily balance (and they may begin accruing interest) no earlier than:

- For new Purchases – the transaction date or the first day of the billing cycle in which the Purchase posts to your Account, whichever occurs later.
- For new Balance Transfers and Cash Advances – the transaction date. For Access Checks and Balance Transfers made by check, the transaction date is the date the check is first deposited or cashed. For Balance Transfers made electronically, the transaction date is the date we transmit the Balance Transfer to your other creditor.
- For a Term It Plan – the transaction date (which is the date you create the Plan) or the first day of the billing cycle in which the Plan posts to your Account, whichever occurs later.
- For a Returned Payment – the date that the corresponding payment had been credited to your Account.
- Fees – the date of a related transaction, the date of the activity or condition for which the fee is charged or, at our option, the last day of the applicable billing cycle.

If you give us different notices or make different requests, we may pick which one to honor without telling any of you. We will not owe anything to you or anyone else because we picked one of your notices or requests. We may send Account materials (Cards, billing statements and notices) to any of you, and you will be responsible for delivering those materials to the others and to any authorized users.</p>	<p>balance on the Account. If you and one or more persons are responsible to pay any total outstanding balance, we may refuse to release any of you from liability until you repay the total outstanding balance owed to us under the terms of this Agreement.</p>
Authorized Users	<p>If you permit any person to use your Card, Access Checks, Account number, or other credit device with the authorization to obtain credit on your Account, you will be responsible for all transactions made by that person to the fullest extent permitted by law, including transactions for which you may not have intended to be liable, even if the amount of those transactions causes your credit limit to be exceeded. Authorized users may have the same access to information about the Account and its users as you have, but may not be permitted to perform all actions available to you. For example, authorized users may not be permitted to create a Term It Plan.</p> <p>You may allow authorized users on your Account in the following ways:</p> <ul style="list-style-type: none"> • By notifying us that you want someone added to your Account as an authorized user; or • By lending your Card or Account number to another; or • By any other ways in which you would be legally considered to have authorized another person to use your Account or be legally prevented from denying that you did so. <p>You must think carefully before you allow anyone to become an authorized user. By doing so, you authorize the person to use your Account to the same extent you can, including but not limited to making any Purchases, Balance Transfers, Cash Advances, and allowing others to use your Account. Your Account does not permit you to limit the nature or amount of authority you give to any authorized user and you will not attempt to do so. An authorized user's authority will continue until you notify us that you are terminating the authority and you physically retrieve the Card. If you cannot retrieve the Card, you will remain liable for any transactions that we cannot prevent after you notify us.</p>	<p>At your request, we may issue a Card to an authorized user. We have no obligation to issue cards to any authorized user, and we may terminate the access of any or all authorized users to your Account at any time. If we terminate an authorized user's access to your Account, we may close your Account and open a new account with a different account number.</p>
Unauthorized Transactions	<p>If you notice the loss or theft of your Card or possible unauthorized use of your Account, you should write to us immediately at: Regions Bank, PO Box 413, Birmingham, Alabama, 35201, or call us at 1-800-253-2265.</p>	<p>You will not be liable for any unauthorized use that occurs after you notify us. You may, however, be liable for unauthorized use that occurs before your notice to us. We will extend to you the benefits of the zero liability policy, in effect at the time of any unauthorized use, for the network responsible for processing transactions on your Card. In any case, your liability will not exceed \$50.</p>

Other Account Terms

Term	What It Means To You
Changes to Your Contact Information	You must notify us immediately of any change to your address or any of your other contact information by writing or calling us using the Customer Service address or phone number provided on each billing statement.
Credit Information	We may get and review your credit history from credit reporting agencies and others. We also may provide information about you and your account to credit reporting agencies and others. <i>If you believe we have furnished inaccurate or incomplete information about you or your account to a credit reporting agency, write to us at: Regions Bank, Credit Reporting Agencies, 2050 Parkway Office Circle, Hoover, Alabama 35244. Please include your name, address, home phone number, and account number, and explain what you believe is inaccurate or incomplete.</i>
Telephone Calls and Other Communications	By providing us with your telephone number(s) and other contact information, you agree that Regions Bank, its successors or assigns, or any company or person providing services in connection with your Account may contact you for any informational purposes related to your Account and in any manner permitted or required by law. This contact may be made using an automatic telephone dialing system, leaving you a voice or prerecorded message, or sending you a text, email or other electronic message (each a " <u>Communication</u> "). You acknowledge and agree that you are providing this consent to receive Communications as consideration and as a bargained-for term in a legally binding agreement, and that this consent is irrevocable by you to the maximum extent allowed by law. If you wish to revoke your consent to be contacted at any cellular telephone number using an automatic telephone dialing system and/or an artificial or prerecorded message, we will consider your request in our sole and absolute discretion, subject to the requirements of applicable law, but you must make your request by calling us at 1-888-219-9227.
Benefits and Rewards	You may be offered certain benefits and rewards with your Account. We may change, add, or delete benefits and rewards at any time and without notice to you. Any such benefits or rewards are not a part of this Agreement, but are subject to the terms and restrictions provided in the separate agreement for those benefits or rewards.
Credits and De Minimis Refunds	If we determine that a credit is due to your Account for any reason (such as the refund of a fee charged in error), that credit will first be applied to the outstanding balance owed on the Account. You agree that, if your Account has been closed (whether by you or us) and the amount of any credit remaining after application to any outstanding balance is less than \$1, we have no obligation to refund that credit to you and you waive any claims you may have to that credit.
Enforcement	Our failure or delay in exercising any of our rights under this Agreement does not mean that we cannot exercise those rights later. For example, if we take no action when you go into default, we may exercise our rights later if you continue in default or again go into default. If any provision of this Agreement is found to be invalid, the remaining provisions will continue to be enforceable.
Arbitration	Either you or we may ask to settle disputes relating to this Agreement or your Account by arbitration. Arbitration is a way of working out disputes without going to court. If you or we ask for arbitration, we would all meet with a person called an arbitrator. An arbitrator is like a referee or a judge. The arbitrator will listen to what you and we have to say. The arbitrator will decide who is right. The arbitrator's decision is called an award. The party who wins the award can take it to any court that could have heard the dispute and get an official judgment. The specific terms and conditions under which we may arbitrate a dispute are continued in the "Arbitration" section of this Agreement. Please read the rest of this section carefully.
Governing Law	This Agreement is made in Alabama and we extend credit to you from Alabama. This Agreement and your Account are governed by the laws of the State of Alabama (without regard to its conflict of laws principles) and by any applicable federal laws, regardless of where you reside or use the Account.
Assignment	At any time and without notice to you, we may assign your Account, any sums owed on your Account, this Agreement, or our rights or obligations under your Account or this Agreement to any person or entity. The person or entity to whom we make any such assignment will be entitled to all of the rights or obligations we have assigned.
MD Residents	You have the right under Maryland Commercial Law Code Section 12-510 to receive an answer to a written inquiry concerning the status of your Account. Finance charges will be imposed on the outstanding balances from month to month in amounts or at rates not in excess of those permitted by law.
NJ Residents	All provisions of this Agreement are valid, enforceable and applicable in New Jersey.

Arbitration

If your Account was opened on or after October 3, 2017 and you were a “covered borrower” (as defined in the U.S. Department of Defense regulation implementing the federal Military Lending Act) when you applied for the Account, this ARBITRATION AND WAIVER OF JURY TRIAL section will not apply as long as you continue to be a covered borrower.

ARBITRATION AND WAIVER OF JURY TRIAL. Except as expressly provided herein, you and we agree that either party may elect to resolve by **BINDING ARBITRATION** any controversy, claim, counterclaim, dispute or disagreement between you and us, whether asserted or brought in a direct, derivative, assignee, survivor, successor, beneficiary or personal capacity and whether arising before or after the effective date of this Agreement (any “**Claim**”). Claim has the broadest possible meaning and includes, but is not limited to, any controversy, claim, counterclaim, dispute or disagreement arising out of, in connection with or relating to any one or more of the following: (1) the interpretation, execution, administration, amendment or modification of this Agreement (including any Debt Cancellation Addendum to this Agreement); (2) your Account; (3) any charge or cost incurred pursuant to this Agreement; (4) any transaction involving your Account or this Agreement; (5) the collection of any amounts due under this Agreement or on your Account; (6) any alleged contract or tort arising out of or relating in any way to this Agreement, your Account, any transaction on your Account, any advertisement or solicitation, or your business, interaction or relationship with us; (7) any breach of any provision of this Agreement; (8) any statements or representations made to you with respect to this Agreement, your Account, any transaction on your Account, any advertisement or solicitation, or your business, interaction or relationship with us; (9) any property loss, damage or personal injury; (10) any claim, demand or request for compensation or damages from or against us; (11) any damages incurred on or about our premises or property; or (12) any of the foregoing arising out of, in connection with or relating to any agreement which relates to this Agreement, your Account, any credit, any charge, any transaction or your business, interaction or relationship with us, including without limitation any agreement regarding benefits or rewards provided in connection with this Agreement or your Account. If either party elects to arbitrate, the Claim shall be settled by **BINDING ARBITRATION under the Federal Arbitration Act (“FAA”)**. This agreement to arbitrate shall include any Claim involving our current and former officers, directors, employees, agents, representatives, contractors, subcontractors, parent, subsidiaries, affiliates, successors, assigns, any third party that assigned any agreements to us and any of the respective current and former employees, officers, agents or directors of such affiliates or third parties, and any such Claim against any of those parties may be joined or consolidated with any related Claim against us in a single arbitration proceeding. In addition, if we become a party in any lawsuit that you have with any third party, whether through intervention by us or by motion or pleading made by you or any third party, we may elect to have all claims in that lawsuit between you and such third party to be resolved by **BINDING ARBITRATION** under this Agreement.

The arbitration shall be administered by the American Arbitration Association (the “**AAA**”) under its Commercial Arbitration Rules or the Consumer Arbitration Rules, as applicable (collectively the “**Arbitration Rules**”) in effect at the time the demand for arbitration is filed. In the event of a conflict between the Arbitration Rules and this Agreement, this Agreement shall control. We will tell you how to contact the AAA and how to get a copy of the Arbitration Rules without cost if you ask us in writing to do so. Or, you may contact the AAA directly at 1-800-778-7879 (toll free) or at www.adr.org.

If the Consumer Arbitration Rules apply and your Claim for actual damages does not exceed \$75,000, you shall be responsible for paying one-half of the arbitrator’s fees, up to a maximum of \$125 (if your Claim for actual damages does not exceed \$10,000) or \$375 (if your Claim for actual damages exceeds \$10,000 but does not exceed \$75,000). For any consumer-related Claim that does not exceed \$75,000, we will pay all other arbitrator’s fees and costs imposed by the administrator of the arbitration.

If the Consumer Arbitration Rules apply and your Claim seeks actual damages in excess of \$75,000 or non-monetary damages, or if the Commercial Arbitration Rules apply, you shall be responsible for paying the administrative costs and arbitrator’s fees as provided in the applicable Arbitration Rules. Except as otherwise provided in this Agreement or in the applicable Arbitration Rules, the final award by the arbitrator(s) may apportion the administrative fees, expenses and arbitrator’s fees between you and us as part of the award, as the arbitrator(s) determines is appropriate. The fees and cost stated in this Agreement are subject to any amendments to the Arbitration Rules and fee and cost schedules of the AAA. The fee and cost schedule in effect at the time you submit your Claim shall apply. The Arbitration Rules permit you to request a deferral or reduction of the administrative fees of arbitration if paying them would cause you extreme hardship.

Each party also has the option of filing an action in small claims court or your state’s equivalent court, for any Claim or disputes within the scope of the small claims court’s jurisdiction. But if a Claim is transferred, removed or appealed to a different court, we then have the right to demand arbitration of the Claim.

The arbitration of any Claim of \$150,000 or greater shall be conducted by a panel of three arbitrators, unless you and we agree otherwise. The arbitration of any Claim of a lesser amount shall be conducted by one arbitrator. Unless you and we

have agreed on the arbitrator(s), each arbitrator shall be selected in accordance with the procedure in the Commercial Arbitration Rules for appointment from the national roster, except that the AAA will not administratively appoint any arbitrator under any circumstances and regardless of the number of parties or amount of your Claim.

Except as expressly provided in this agreement to arbitrate, no Claim may be joined with another dispute or lawsuit, or consolidated with the arbitration of another Claim, or resolved on behalf of similarly situated persons, or brought as private attorney general or on another similar representative basis. For any Claim subject to arbitration, you may not participate in a class action in court or in a class-wide arbitration, either as a plaintiff or claimant, class representative or class member.

All statutes of limitation, defenses, and attorney-client and other privileges that would apply in a court proceeding shall apply in and to the arbitration. Any in-person arbitration hearing will be held at a location that is reasonably convenient to all parties in either your state of residence or the state of your billing statement address with Regions, with due consideration of their ability to travel and other pertinent circumstances. If the parties are unable to agree on a location, that determination shall be made by the arbitrator(s).

Any dispute regarding whether a particular controversy is subject to arbitration, including any claim of unconscionability and any dispute over the enforceability, scope, reach or validity of this agreement to arbitrate disputes or of this entire Agreement, shall be decided by the arbitrator(s).

The arbitrator(s) shall establish such reasonable procedures as may be necessary for the reasonable exchange of information and materials between the parties prior to such arbitration. In rendering an award, the arbitrator(s) shall apply applicable contract terms, statutes and legal precedent and shall follow the Federal Rules of Evidence, enforce applicable privileges, and employ applicable burdens of proof. The arbitrator(s) shall award only such relief as a court of competent jurisdiction could properly award under applicable law (and which shall be governed by the constitutional standards employed by the courts). The arbitrator(s) shall have the authority to award attorneys' fees, costs and expenses, in whole or in part, in instances where such is authorized by applicable law.

All awards shall be reasoned awards and the arbitrator's findings, reasoning, decision, and award shall be set forth in writing and shall be based upon and be consistent with the law of the jurisdiction that applies to the Claim. Judgment on the arbitration award may be entered in any court having jurisdiction.

In the event that the arbitration results in an award which imposes an injunction on you or on us or contains a monetary award in excess of \$250,000, the award shall be reviewable on appeal initiated within 30 days of the award, and shall not be considered final until after the time for filing the notice of the appeal has expired. The appeal shall be governed by the AAA Optional Appellate Arbitration Rules; to the extent they are not inconsistent with this Agreement, and shall be conducted by a panel of three new arbitrators selected to hear the appeal under the procedure for appointment from the national roster, except that the AAA shall not unilaterally appoint the arbitrators for the appeal, unless you and we so agree. Appeals must be initiated within thirty (30) days of receipt of the underlying award, by filing a Notice of Appeal with any AAA office. The decision of the panel shall be by majority vote. Such review shall reconsider anew any aspect of the initial award requested by the appealing party. Following the appeal process, the decision rendered by the appeal tribunal may be entered in any court having jurisdiction thereof. If the award does not impose an injunction on you or on us or contain a monetary award in excess of \$250,000, then the award shall not be appealable and shall only be subject to such challenges as would otherwise be permissible under the FAA.

This agreement to arbitrate does not limit the right of you or us, whether before, during or after the pendency of any arbitration proceeding, to exercise self-help remedies such as set-off, recoupment, repossession, trustee's sales and the like. This agreement to arbitrate does not limit the right of you or us, whether before or during the pendency of any arbitration proceeding to bring an action (individually, and not on behalf of a class) to obtain provisional or ancillary remedies or injunctive relief (other than a stay of arbitration) to protect the rights or property of the party seeking such relief. However, the arbitrator(s) shall have the power to vacate and/or stay any such proceedings or orders granting provisional or ancillary remedies or injunctive relief, upon application by you or us. The taking by either you or us of any of the self-help remedies or by filing any action in court, including but not limited to the actions described in the preceding sentence, shall not be deemed to be a waiver of the right to elect BINDING ARBITRATION of any Claim upon the filing of a counterclaim, crossclaim, third party claim or the like by either you or us in response to any such action.

You and we specifically acknowledge and agree that this Agreement evidences a "transaction involving commerce" under the FAA, and hereby waive and relinquish any right to claim otherwise. You and we hereby acknowledge, agree and stipulate that Regions Bank is a multi-state banking organization engaging in interstate banking and commerce; all transactions on credit card accounts involve interstate commerce; and we regularly use the services of businesses located in other states in opening and administering credit card accounts.

Should the AAA be unavailable, unable or unwilling to accept and administer the arbitration of any Claim, or any appellate proceeding, as applicable, or otherwise refuse or decline to accept and administer the arbitration of any Claim, or any appellate proceeding, as applicable – in whole or in part and for any reason whatsoever or for no reason – this agreement to arbitrate shall not fail or be invalidated as a result. Rather, in that instance, any party to the Claim may then petition a court of competent jurisdiction under 9 U.S.C. § 5 to appoint the arbitrator(s). Upon consideration of such a 9 U.S.C. § 5 petition, should the court decline or refuse to appoint the arbitrator(s), then and only then and within 30 days of a final and non-appealable decision on the matter from such court, you and we shall each respectively pick one arbitrator, and those two arbitrators shall then, by mutual agreement and within 30 days of the selection of the second of them, select a third arbitrator. The third arbitrator so selected shall then arbitrate the Claim as the sole arbitrator, except with respect to a Claim for \$150,000 or greater, in which case all three arbitrators so selected shall arbitrate the claim together, with the award and all pre-award decisions made by majority vote. In the case of any arbitration not administered by the AAA, the arbitrator(s) shall still be bound by all applicable provisions of this agreement to arbitrate and the Federal Arbitration Act. They further shall administer and conduct the arbitration under the applicable AAA Arbitration Rules, to the extent such rules may be practicably applied to an arbitration not administered by the AAA.

If any term or provision of this agreement to arbitrate disputes and waiver of jury trial is held to be invalid or unenforceable, the remaining provisions shall be enforced without regard to the invalid or unenforceable term or provision; provided, that if you or we seek to bring a joined, consolidated, or class action for arbitration, and if the foregoing prohibition against the arbitration of joined, consolidated or class actions is finally held by an authority of competent jurisdiction to be invalid or unenforceable, the arbitration agreement between you and us shall then be deemed inapplicable to such joined, consolidated or class action, to the effect that any permitted and lawful joined, consolidated or class action shall be adjudicated in accordance with the provisions of applicable law and shall not be resolved through arbitration (provided further, that the jury trial waiver shall, in any event, remain in full force and effect to the fullest extent permitted by law). This agreement to arbitrate disputes and waiver of jury trial shall survive your death, the closing of your account and the termination of any of your business or transaction(s) with us, any bankruptcy to the extent consistent with applicable bankruptcy law and shall also survive as to any Claim covered within the scope of this Agreement.

Whether any controversy is arbitrated or settled by a court, you and we voluntarily and knowingly waive any right to a jury trial with respect to such controversy to the fullest extent allowed by law.

Your Billing Rights: Keep This Document for Future Use

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What to Do If You Find a Mistake on Your Statement

If you think there is an error on your statement, write to us at the address shown in the version of this section that is included on your billing statement. In your communication, give us the following information:

- Account information: Your name and account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- If we made a mistake: You will not have to pay the amount in question or any interest or other fees related to that amount.
- If we do not believe there was a mistake: You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question, even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, write to us at the address shown on the payment coupon included with your statement. While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Additional Terms and Conditions

Variable Rates: Variable Rates on the Account are calculated by adding together an index and a margin. The margins are shown below. The index is the highest U.S. Prime Rate as published in the "Money Rates" section of The Wall Street Journal on the last publication day of each month. An increase or decrease in the index will cause a corresponding increase or decrease in your variable rates on the first day of your billing cycle that begins in the same month in which the index is published. An increase in the index means that you will pay higher interest charges and have a higher Total Minimum Payment Due. If The Wall Street Journal does not publish the U.S. Prime Rate, or if it changes the definition of the U.S. Prime Rate, the Bank may, in its sole discretion, substitute another index.

- ^a Standard Rates for Purchases, Term It Plans, and Balance Transfers:
- Regions Life - Wall Street Journal Prime + a margin of 8.74% - 18.74%
 - Regions Prestige - Wall Street Journal Prime + a margin of 9.74% - 19.74%
 - Regions Cash Rewards - Wall Street Journal Prime + a margin of 10.74% - 20.74%
 - Regions Premium - Wall Street Journal Prime + a margin of 10.74%
- ^b Standard Rate for Cash Advances:
- Wall Street Journal Prime + a margin of 21.74%

Introductory Rates:

- * Introductory Rate on Purchases applies through the end of either the 15th monthly billing cycle (for Regions Life Accounts) or the 12th monthly billing cycle (for Regions Prestige, Cash Rewards, and Premium Accounts) after the Account is opened for all Purchases posted to the Account during the same period. When this Introductory APR terminates, any remaining balance that had been subject to the Introductory APR will accrue interest at the Standard APR for Purchases disclosed above, as it may be changed under the Agreement.
- † Introductory Rate on Balance Transfers applies through the end of either the 15th monthly billing cycle (for Regions Life Accounts) or the 12th monthly billing cycle (for Regions Prestige, Cash Rewards and Premium Accounts) after the Account is opened for all Balance Transfers posted within 60 days of Account opening. When this Introductory APR terminates, any remaining balance that had been subject to the Introductory APR will accrue interest at the applicable Standard APR for Balance Transfers disclosed above, as it may be changed under the Agreement.
