Information

Call your local Regions office for additional information on your Business Checking, Savings or Money Market account or any of our other financial services.

Inactivity on Checking and Money Market Accounts; Statements and Fees

For all checking and money market accounts that have had no customer-initiated activity for a period of 92 days, we may, at our option, provide account statements to you on a quarterly basis. Any fees we charge for the delivery of a paper statement or check images will be charged with respect to the quarterly statement only. Monthly account fees will continue to apply. Upon any subsequent customer-initiated activity, monthly statements will resume.

Overdraft Protection

Overdraft Protection allows you to link your Regions business checking account to an eligible Regions business savings account, money market account, credit line, or credit card account. If you choose to enroll in Overdraft Protection, we may use the amount available for Overdraft Protection in the funding account to authorize and pay debit card and ATM transactions on the checking account that otherwise might be declined or cause an overdraft on the checking account. We also may use this available balance in the linked funding account to pay check and ACH items on the checking account that would otherwise be paid into overdraft for a fee or returned at no charge. If one or more transactions would overdraw the checking account, we will automatically transfer money to your checking account from your linked funding account, as provided in the Regions Deposit Agreement.

We generally transfer amounts from the designated funding account to the checking account in increments of \$10. If the available balance of the funding account is less than \$10, or the available balance of the funding account is less than the \$10 increment that otherwise would be transferred to cover the amount of the overdraft, we will transfer the full amount of the available balance of the funding account to the checking account. If the checking account still has an insufficient available balance to pay an overdraft item even after we advance available funds from the funding account, we may return the item or pay it into overdraft.

We do not charge a transfer fee for Overdraft Protection transfers.

Additional rules and fees on the various Overdraft Protection options are noted in the applicable customer agreements covering business deposit accounts, credit cards, and credit lines. Funds transferred from a credit line or credit card account will accrue interest at the interest rate provided in the agreement for that account. Credit lines and credit cards are subject to credit approval.

Visit your nearest branch, call 1-800-REGIONS, or log in to Online Banking to set up Overdraft Protection.

Taxes

You are responsible for taxes due on interest, bonuses, and the value of any gift or incentive you may receive. Depending on the type of payment, Regions may report as income on IRS Form 1099-INT or 1099-MISC.

For accounts opened in Iowa, certain account fees are subject to Iowa State Tax of 6%, which will be assessed at the time the fee is charged, unless exempt.

Time Deposits

- The minimum balance to open a Regular Time Deposit and/or Certificate is \$500 for terms of 90 days or more, \$2,500 for terms of 7-89 days.
- Early withdrawal may result in substantial penalty. Refer to the Time Deposits/Certificates of Deposit section of the Deposit Agreement, to your Time Deposit receipt, or to your Prematurity Notice for details, terms and conditions.

Relationship Interest Rates for Business Banking Time Deposits and Certificates of Deposit

If you are a Regions checking customer, you may qualify to earn a special relationship interest rate on certain time deposit accounts ("Time Deposits") and certificates of deposit ("Certificates"). The requirements for a relationship interest rate (the "Relationship Requirements") are as follows: (i) you must be a Business Banking customer as defined by Regions and as indicated in Regions' records, (ii) the Time Deposit/Certificate must have a term or renewal term, as applicable, of at least 32 days and (iii) the primary or secondary owner on the Time Deposit/Certificate must be the primary or secondary owner on an open Regions checking account in good standing during the Time Deposit/Certificate term or renewal term, as applicable. Please note that IRA Time Deposits and Certificates, deposits by public entities, brokered deposits, deposits by Commercial Banking customers as defined by Regions and as indicated in Regions' records, and deposits by financial institutions are not eligible for relationship interest rates.

Applicable relationship interest rates and standard interest rates together with corresponding annual percentage yields (APYs) will be stated in other disclosures related to the Time Deposit or Certificate. Relationship interest rates and standard interest rates are set from time to time by Regions management and are subject to change.

Regions may discontinue or change the requirements for relationship interest rate programs at any time, and subject to notification requirements imposed by applicable law or regulation, Regions has no obligation to continue a relationship interest rate program for any Time Deposit or Certificate renewal term.

Regions may from time to time refer to its deposit systems to confirm that the primary or secondary owner on the Time Deposit/Certificate is the primary or secondary owner on an open Regions checking account in good standing, and if such Relationship Requirements is not satisfied, Regions may reset the interest rate for the Time Deposit/Certificate to the standard Regions interest rate for Time Deposits/Certificates that was in effect at the time the Time Deposit Certificate account was opened or renewed, as applicable. You will be notified if this occurs. Any such interest rate reset will take effect no earlier than the day following the day on which Regions determines that you have failed to meet any Relationship Requirement, and the standard interest rate will apply for the remainder of the Time Deposit/Certificate term or renewal term, as applicable.

Please refer to your Time Deposit/Certificate account documentation for details and disclosures.
