ACCOUNT OPENING AND MAINTENANCE; CORE SPECIAL FEATURES	
Minimum Opening Deposit	\$10
Monthly Fee	\$5 The monthly account fee is charged in advance on the first business day of each statement period, is deemed earned in full at the time it is charged and is not subject to refund or proration in the event your account is closed. If your first statement period is a partial statement period, your first monthly fee may not be charged until your second statement period.
Ways to Avoid Monthly Fee	Not applicable
No Standard Overdraft Coverage	Regions Standard Overdraft Coverage is a service we provide on many checking accounts that may cover transactions that overdraw the available funds in the account. We do NOT provide Standard Overdraft Coverage on the Now Checking account. This means that we will return items unpaid when they are presented against an insufficient available account balance, and we will decline to authorize debit card and other withdrawal transactions when there is an insufficient available account balance to cover the transactions. Although we do not provide Standard Overdraft Coverage on the Now Checking account, it is still possible for your account to be overdrawn due to the way some transactions are authorized and finally paid and due to account fees and charges (including the monthly fee) that may be assessed against the account. If for any reason your account does become overdrawn, you may not be able to use your debit card or other account services until you bring your available balance positive. We will not charge you a Paid Overdraft Item fee if a transaction overdraws your account or a Returned Item fee if we return an item due to an insufficient available account balance. However, your payees and merchants may charge you fees or penalties for items that are returned unpaid or declined. You may wish to consider the Overdraft Protection service as an alternative means of covering transactions in the event of an insufficient available account balance (see Overdraft Protection Information below).
Paid Overdraft Item/Returned Item Fee; Overdraft Protection Transfer Fee	No Fees
Account Activation, Closure, Dormancy, Inactivity, and Low Balance Fees	No Fees
Statement Fee	\$2.00 per periodic paper statement without check images (<i>default selection for account</i>). No charge for Online Statements. You may elect to receive Online Statements in lieu of paper statements by enrolling in/logging into Regions Online Banking or the Regions mobile app and following the instructions to activate Online Statements.

Your account will be debited for the exact final amount of the transaction following processing of the transaction.</p> <p>Restaurant Purchases: An authorization hold equal to the face amount of the transaction plus up to 20% of that amount may be placed on account funds to allow for the addition of tips at restaurants that use certain merchant codes (as determined by the merchant) in the payment processing network. Additional Terms and Conditions

The provisions contained in this Disclosure are an addendum to our Deposit Agreement.

Inactive Checking and Money Market Accounts (Not applicable to Now Checking)

For checking and money market accounts that have had no customer-initiated activity for a period of 92 days, we may, at our option, provide account statements to you on a quarterly basis. Any fees we charge for the delivery of paper statement or check images will be charged with respect to the quarterly statement only. Monthly account fees will continue to apply. Upon any subsequent customer-initiated activity, monthly statements will resume.

Overdraft Protection

Overdraft Protection allows you to link your Regions checking account to an eligible Regions savings account, money market account, credit line, or credit card account. If you choose to enroll in Overdraft Protection, we may use the amount available for Overdraft Protection in the funding account to authorize and pay debit card and ATM transactions on the checking account that otherwise might be declined or cause an overdraft on the checking account. We also may use this available balance in the linked funding account to pay check and ACH items on the checking account that would otherwise be paid into overdraft or returned. If one or more transactions would overdraw the checking account, we will automatically transfer money to your checking account from your linked funding account, as provided in the Regions Deposit Agreement.

We generally transfer amounts from the designated funding account to the checking account in increments of \$10. If the available balance of the funding account is less than \$10, or the available balance of the funding account is less than the \$10 increment that otherwise would be transferred to cover the amount of the overdraft, we will transfer the full amount of the available balance of the funding account to the checking account. If the checking account still has an insufficient available balance to pay an overdraft item even after we advance available funds from the funding account, we may return the item or pay it into overdraft. We do not charge a transfer fee for Overdraft Protection transfers to Now Checking accounts.

Additional rules and fees on the various Overdraft Protection options are noted in the applicable customer agreements covering deposit accounts, credit cards, and credit lines. Funds advanced from a credit line or credit card account will accrue interest at the interest rate provided in the agreement for that account. Credit lines and credit cards are subject to credit approval.

Visit your nearest branch, call 1-800-REGIONS, or log in to Online Banking to set up Overdraft Protection.

Taxes

You are responsible for taxes due on interest, bonuses, and the value of any gift or incentive you may receive. Depending on the type of payment, Regions may report as income on IRS Form 1099-INT or 1099-MISC.

For accounts opened in Iowa, certain account fees are subject to Iowa State Tax of 6%, which will be assessed at the time the fee is charged, unless exempt.

Time Deposits

- The minimum balance to open a Regular Time Deposit and/or Certificate is \$500 for terms of 90 days or more, \$2,500 for terms of 7-89 days; \$250 for IRA Time Deposits and/or Certificates.
- Early withdrawal may result in substantial penalty. Refer to the Time Deposits/Certificates of Deposit section of the Deposit Agreement, to your Time Deposit receipt, or to your Prematurity Notice for details, terms and conditions.

Relationship Interest Rates for Time Deposits and Certificates of Deposit

If you are a Regions checking customer, you may qualify to earn a special relationship interest rate on certain time deposit accounts ("Time Deposits") and certificates of deposits ("Certificates"). The requirements for a relationship interest rate (the "Relationship Requirements") are as follows: (i) the Time Deposit/Certificate must have a term or renewal term, as applicable, of at least 32 days, (ii) the primary or secondary owner on the Time Deposit/Certificate must be the primary or secondary owner on a Regions personal checking account in good standing and (iii) the checking account must be and remain open during the entire Time Deposit/Certificate term or renewal term, as applicable. Please note that IRA Time Deposits and Certificates, deposits by public entities, brokered deposits, and deposits by financial institutions are not eligible for relationship interest rates.

Applicable relationship interest rates and standard interest rates (together) with corresponding annual percentage yields (APYs) will be stated in other disclosures related to the Time Deposit of Certificate. Relationship interest rates and standard interest rates are set from time to time by Regions management and are subject to change.

Regions may discontinue or change the requirements for relationship interest rate programs at any time, and subject to notification requirements imposed by applicable law or regulation, Regions has no obligation to continue a relationship interest rate program for any Time Deposit or Certificate renewal term.

If you should fail to meet any Relationship Requirement at any time during the Time Deposit/Certificate term or renewal term, as applicable, Regions may reset the interest rate for the Time Deposit/Certificate to the standard Regions interest rate for Time Deposits/Certificates that was in effect at the time the Time Deposit/Certificate account was opened or renewed, as applicable. You will be notified if this occurs. Any such interest rate reset will take effect no earlier than the day following the day on which Regions determines that you have failed to meet any Relationship Requirement, and the standard interest rate will apply for the remainder of the Time Deposit/Certificate term or renewal term, as applicable.

Individual Retirement Accounts (IRAs)

- A transfer fee of \$15 per account will apply if you transfer any IRA to another institution.
- In the event of an early withdrawal from an IRA with a stated maturity date, the Early Withdrawal Penalty described in the Deposit Agreement will apply. Consult your financial or tax advisor about taxes and tax penalties that may apply upon withdrawal of IRA proceeds.

Current Rate Information

You may always obtain the current interest rate and Annual Percentage Yield (APY) being paid on your account simply by contacting any Regions office.

Call your local Regions banking office for more information about your account or any of our other financial services.
