

## A QUICK GUIDE TO YOUR ADVANTAGE BUSINESS CHECKING

This Regions Quick Guide is for general information and discussion purposes only.

### The Regions Simplicity Pledge®

Regions is committed to providing you with the information you need to make good financial decisions, and to helping you understand how your accounts and services work – simply, clearly and in plain language.

### ACCOUNT BASICS

Please consult the [Business Checking, Money Market, Savings & Time Deposit Accounts Pricing Schedule at regions.com/businesspricing](#) for a complete list of Additional Services and Fees and for details on how we calculate transactions and balances for purposes of certain fees and fee waivers.

<b>Minimum opening deposit</b>	<b>\$100</b>

<b>Paid overdraft item fee</b>	<b>\$36</b> per item we pay on your behalf when your account does not have sufficient available funds. <i>(See Standard Overdraft Coverage section on page 3 for more information.)</i>
<b>Returned item fee</b>	<b>\$36</b> per item when we do not pay a check or other transaction when your account does not have sufficient available funds and the item is returned.
<b>Extended overdraft penalty fee</b>	<b>\$0.</b> There is no additional charge to the per item fees when an account remains overdrawn for multiple days.

For accounts opened in Iowa, certain account fees are subject to Iowa State Tax of 6%, which will be assessed at the time the fee is charged, unless exempt. The Monthly Fee may not be charged for at least 61 days after account opening even if requirements to waive the Monthly Fee are not met.

## ADDITIONAL INFORMATION

<b>Your account balance</b>	<p>Generally, we track two balances for your account: a posted balance and an available balance. Here's the difference:</p> <ul style="list-style-type: none"> <li>• <b>Posted Balance:</b> The balance in your account on a specific day. It includes all completed transactions that have been received and processed by us.</li> <li>• <b>Available Balance:</b> The amount of money in your account that you can use, spend or withdraw. Funds on hold from checks you have deposited are not available for immediate use. The available balance may increase or decrease throughout the day as the bank receives or recognizes transactions on your account. For additional details, please see our Deposit Agreement.</li> </ul> <p>It is important to know your available balance because it determines whether you have enough funds to pay for a transaction.</p> <p>You can monitor your account balance through Regions Online and Mobile Banking, at 1-800-REGIONS (734-4667), or at Regions ATMs or branches.</p>
<b>Funds availability* Understanding when your deposits become available and why there may be holds</b>	<p>The funds available to you can be affected by the types of deposits you make as well as the time of day in which they are made.</p> <ul style="list-style-type: none"> <li>• Funds from direct deposits, cash deposits, real-time electronic payments or wire transfers are generally available the same day they are deposited to your account when made before the business day cutoff (see Business Day Cutoff section below for details).</li> <li>• In most cases, funds from checks you deposit before cutoff on a business day are available to you by the next business day. Business days exclude Saturdays, Sundays and federal holidays. (See below for details on business day cutoff.)</li> <li>• However, in some cases, funds may take longer before they are available for your use (up to 11 business days). If there is a hold on your deposit, we will notify you of when funds will be available.</li> </ul> <p><i>*Exceptions may apply. Please see the Funds Availability Policy in the Regions Bank Deposit Agreement for complete details.</i></p>
<b>Pending CheckCard transactions</b>	<p>When you use your CheckCard, a hold for the amount of the authorization request will reduce your available balance while the transaction is pending. The hold is released when the merchant submits the actual transactions for payment, or <i>up to</i> three business days after the authorization date, whichever occurs first. (Please see the Standard Overdraft Coverage section for information about how transactions are authorized.)</p> <p><b>Note:</b> <i>The actual transaction submitted by the merchant may differ from the amount of the hold based on the authorization request. A common example of this is the addition of a tip to your restaurant bill.</i></p> <p> <b>TIP:</b> Entering your PIN rather than signing for CheckCard transactions may make it easier to monitor transactions and balances. Signature-based transactions can take up to three days to post to your account. PIN-based transactions typically post the same day.</p>
<b>Business day cutoff</b>	<p>Transactions made <i>after</i> cutoff time are included in the next business day's transactions. For example, a transaction made after cutoff on a Wednesday would be processed as a Thursday transaction.</p> <p>Business day cutoff times may vary by location or service, but these times generally apply:</p> <ul style="list-style-type: none"> <li>• Regular ATMs (non-DepositSmart ATMs): 8 p.m. Central Time</li> <li>• Branches: Branch closing time</li> <li>• DepositSmart ATMs®: 8 p.m. Central Time</li> <li>• Online and Mobile Banking: 8 p.m. Central Time</li> <li>• Real-time Electronic Payments: 8 p.m. Central Time</li> </ul> <p><i>Cutoff times may vary and will be posted at the branch or ATM, or within the applicable service application.</i></p>

## Posting transactions

(These practices are subject to change.)

At the end of each business day, Regions posts (processes) all transactions that have been presented against your account that day. We start with your available balance, and then we post transactions in this way: First, we add deposits and credits that are available to pay transactions. (See above for details on Funds Availability.) Next, we subtract debits, withdrawals and debit card authorization holds in this order:

- ACH settlement.
- Returned deposited items (items you deposited but that were returned unpaid).
- Non-personal debits generated from our commercial deposit systems.
- General debit/withdrawal transactions and debit card authorization holds (holds on card purchases) in the order we receive them or authorize them, which could be different from the order in which you make them. Examples of these transactions include wire transfers, electronic ACH debits, internal account transfers, checks, etc. To help us post items in the correct order, most transactions receive an internal “time stamp” indicating when our banking systems received them. Checks written from non-personal accounts will ordinarily receive a time stamp of 11 p.m. Central Time.
- If multiple checks and electronic items have the same time stamp, we will post the electronic transactions first by low-to-high transaction amount, followed by checks in low-to-high check-number order. Items without a time stamp will be posted after all other items using the same process.

Exceptions may apply. For more information, please refer to the Regions Deposit Agreement at [regions.com/agreements](https://www.regions.com/agreements).

## OVERDRAFT SERVICE OPTIONS

If your available balance is not enough to pay for a transaction when it is presented for payment, overdrafts may occur. Regions has options for the payment of items when your account does not have sufficient available funds – Regions Overdraft Protection and Standard Overdraft Coverage. Both services may be available to eligible accounts.

### Overdraft Protection

With Regions Overdraft Protection, your checking account is linked to a funding account, such as savings, money market or your Regions business credit card.

- If funds are needed in your checking account to cover items presented for payment, we will automatically transfer available funds from your linked Regions funding account.
- A **\$10** transfer fee will be charged to your checking account each day a transfer occurs.
- Overdraft Protection is also used to authorize CheckCard and ATM transactions in a variety of insufficient funds situations.
- For Overdraft Protection, you must open a Regions funding account if you do not already have one and enroll in Overdraft Protection.

➔ **TIP:** Overdraft Protection may be less expensive than our Standard Overdraft Coverage.

### Standard Overdraft Coverage

Regions Standard Overdraft Coverage is a service we may provide to cover transactions for a **\$36 per item** fee, if you overdraw your account and you do not have Regions Overdraft Protection or you have exhausted your Overdraft Protection.

- Qualification for this coverage is determined at our discretion based on the account’s balance and overdraft history.
- Standard Overdraft Coverage is also used to authorize CheckCard and ATM transactions in a variety of insufficient funds situations.

**Note:** We reserve the right to require you to pay any overdraft immediately or upon demand. We also reserve the right not to pay overdrafts. We typically do not pay overdrafts if your account is not in good standing, you are not making regular deposits, or you have too many overdrafts.

➔ **TIP:** Keeping track of your balance and transactions is the best way to avoid overdrafts.

### Fee Limits

We will charge you a combined total of no more than six (6) Paid Overdraft Item and Returned Item fees per day.

- We offer a one-time refund of the paid overdraft/returned item fee for the first overdraft/returned item occurrence after your account is opened. Contact your local branch or Relationship Manager for your overdraft fee refund.
