5. Statement of Points. Your Rewards Account will show accumulated totals for Points earned, adjusted and redeemed and your current Point balance. You may access your Rewards Account:

- By accessing the Program Website through Regions Online Banking; or
- By calling our toll-free number 1-877-883-0599.

You must report any errors in your Rewards Account that are related to Points earned, adjusted or redeemed within 60 days after the date of the error. The date of an error is either the date that the Points in question are posted to or adjusted from your Rewards Account, or the date on which Points that you earned should have been (but were not) posted to your Rewards Account. We have no obligation to correct any errors reported after this 60-day period. We will not be liable for any damages resulting from any failure to credit Points to your Rewards Account in a timely manner.

6. Redeeming Points. As the Primary Account Holder participating in the Program, you may redeem Points:

- By accessing the Program Website through Regions Online Banking; or
- By calling our toll-free number 1-877-883-0599.

To receive Rewards, you must have either a valid street address within the 50 United States or the District of Columbia, or an APO/FPO address.

If the Primary Account Holder is an individual, we may offer the option to allow the Primary Account holder to designate another person who is authorized to redeem Points (an “**Authorized User**”) on behalf of the Primary Account Holder. If we choose to make this option available and the Primary Account Holder chooses to designate an Authorized User using our specified process, the Primary Account Holder agrees to accept full responsibility for all

actions taken by the Authorized User, including the redemption of any and all Points by the Authorized User.

If the Primary Account Holder on any Rewards Credit Card Account is a business entity, Points can be redeemed only by the Business Representative. It is the responsibility of the business owner to establish internal policies, procedures, and controls on how Points are tracked, redeemed, distributed and used within the business organization. The Business Representative may arrange to have a Reward shipped to another person (if permitted for that type of Reward), or to have airline or other tickets issued in another person's name, but any cash or checks may be issued only to the business entity.

We determine the number of Points required to redeem various Rewards, and we may adjust the number of points required for any Reward at any time and without prior notice to you. For cash Rewards, we redeem Points at a rate of \$1 for every 100 Points. We may change this rate as provided in [Section 9](#) below.

You can redeem Points for most Rewards only if your Rewards Account shows that you have the required number of Points for that particular Reward. For certain Rewards, we may offer you the option to redeem using a combination of Points and dollars or using only dollars. If we choose to make this option available for any particular Reward, the Points and/or dollars required to redeem will be provided with the description of that Reward. When you redeem Points for a Reward, we will subtract the number of Points required for the Reward from your total accumulated Points balance as shown on your Rewards Account. We will subtract the older Points before subtracting the more recently awarded Points. Points that have not yet been credited to your Rewards Account are not available and cannot be redeemed for Rewards. You may redeem your Points for only those Rewards described in the catalog on the Program Website or in any electronic updates to the catalog that we may send you from time to time. Points have no cash value, cannot be bought or sold, and except as provided in [Section 12](#), cannot be transferred.

All Rewards are subject to availability. Certain restrictions and fees may apply, including restrictions on the types of payments that may be used for fees and for redemptions using dollars. Any fees and restrictions on payment types will be disclosed prior to redemption. Regions and the Administrator may substitute, withdraw, change, discontinue, temporarily suspend, terminate or replace any Reward for any reason at any time without notice to you. Neither the Administrator, Suppliers, nor Regions guarantees or represents that any specific Reward will be available for any particular length of time. Neither the Administrator, Suppliers, nor Regions will be responsible for errors, omissions, or delays in the handling or delivery of Rewards.

7. Expiration of Points. Unredeemed Points will expire no earlier than 48 months after they are earned. Each year any unredeemed Points that you earned at least 48 months ago will expire on the last day of the month in which your enrollment anniversary falls.

8. Tax Liability and Fees. You will be responsible for any federal, state, or local taxes resulting from your earning or redeeming Points. You also will be responsible for any fees or charges that may be assessed in connection with certain Rewards, including without limitation any fulfillment or redemption fees, shipping, courier, fulfillment or certificate fees, expedited delivery, special requests and exceptions, airline related fees, facility charges, segment fees, ticketing, taxes, customs, baggage, security, fuel surcharges, or other governmentally imposed fees, and any charges for additional travel arrangements made in conjunction with a Reward. All fees and charges are due at the time you redeem your Points for a Reward. Regions reserves the right, in its sole discretion, to add, change or reduce the fees or charges that may be assessed in connection with any Rewards or the Program generally, as described in [Section 9](#) below.

9. Program Changes and Termination. The Program is offered at the sole discretion of Regions. We reserve the right, in our sole discretion and at any time: (a) to terminate or suspend the Program, in whole or in part; and (b) to

add, delete, or otherwise change any of the Terms and Conditions, including changes to fees and charges, changes to the activities by which Points may be earned, changes to any specified rate used to redeem Points, and changes that may reduce or cancel the redemption value of Points credited but not yet redeemed. If we change the Terms and Conditions to provide Points for a new activity, no Points will be awarded for any activity that occurred prior to the effective date of the change. We may change the Terms and Conditions without prior notice to you. You may find the current version of the Terms and Conditions on the Program Website. By continuing to participate in the Program following the change, you are accepting the changes to the Terms and Conditions.

Your participation in the Program will terminate automatically if you cease to be the Primary Account Holder for at least one Checking Account or Rewards Credit Card Account. We reserve the right to terminate your participation in the Program and/or to invalidate all or a portion of your Points, whether or not credited to your Rewards Account: (i) if at any time you have a negative balance of Points in your Rewards Account, (ii) in the event of any suspected or actual abuse or fraud relating to the earning or redemption of Points (including making minimal payments in order to maximize Points earned), and/or any violation of the Terms and Conditions (including any attempt to sell, exchange, encumber or transfer Points), (iii) for your failure to meet the eligibility requirements for the Program; (iv) if we close any of your Accounts; or (v) upon your death. We also reserve the right, in our sole discretion, to determine whether termination of your participation and/or invalidation of any Points is appropriate. These rights are in addition to any other legal or equitable remedy that may be available to Regions under applicable law.

You may terminate your participation in the Program at any time by contacting us at 877-883-0599.

In the event we terminate the Program or each of your Accounts is closed (whether by you or us), within the 90 days following termination or Account closing you may redeem any Points that have been credited to your Rewards Account according to these Terms and Conditions. You will forfeit any Points that you do not redeem within these 90 days. In the event you terminate your participation in the Program, you will immediately forfeit any Points that have been credited to your Rewards Account.

10. Rewards Disclaimer. The Administrator and the Suppliers are independent contractors and are not affiliated with Regions. Regions and the Administrator are not responsible for the performance or non-performance of any or all Suppliers. Regions and the Administrator do not offer, endorse or guarantee any of the goods or services provided as part of the Rewards. Regions and the Administrator do not warrant the quality, merchantability, or fitness for a particular purpose of any Rewards you procure with your Points. If any Reward is imperfect, defective, or otherwise unsatisfactory to you, you must address any concern or complaint directly with the Supplier or manufacturer that provided the Reward and look solely to that Supplier or manufacturer for any repair, refund, or satisfaction of your claim and not to Regions or the Administrator. You agree that we are not responsible in any way for such Rewards. In addition, you further agree that we are not responsible for any lost, stolen, or destroyed Rewards or expired Points. Regions, the Administrator, and the Suppliers will not be liable or responsible for any loss, damage or injury to property or person that may arise or result from participating in the Program, redeeming Points, or using Rewards or by any other cause, condition or event whatsoever beyond the control of Regions or the Administrator. Regions is not responsible and shall not have any liability for typographical errors and/or omissions in any Program materials or for disagreements or disputes between or involving you and any other holders or authorized users on any Account regarding Points, redemption of Points for Rewards, or use of Rewards. Discrepancies regarding accrual of Points are not treated as Account billing disputes. Regions and the Administrator reserve the right to adjust your Rewards Account at any time to correct any Points balances, including the right to reverse any Points that were credited in error and/or not legitimately earned in accordance with these Terms and Conditions. In the event that any already redeemed Points are reversed, Regions and/or the Administrator may cancel or recall the shipment of any Rewards, may reverse any statement credits and/or cash issued to a Checking Account or Rewards Credit Card Account, and may cancel any prepaid cards that had been redeemed with those Points. Regions decisions regarding Points shall

be final.

You hereby release, discharge, and hold harmless Regions, and Administrator, and their respective officers, directors, employees and agents from any and all liability for claims resulting from any acts or omissions of the Suppliers providing or failing to provide goods or services in connection with the Program, and from any other cause, condition or event beyond control of Regions or Administrator. You also release, discharge, and hold harmless Regions, the Administrator, and Suppliers from all liability for any injury, claims, damages, loss, expense or damages, arising out of participation in the Program. Further, you release us, the Administrator, and Suppliers from any and all liability for any inconvenience, loss, expense, accident, personal injury or death that may arise in connection with your participation in the Program, your ownership of or receipt of any Reward, or the use or defect of any Reward, including any travel-related Reward used or to be used by you or any other person. Regions, the Administrator, and Suppliers shall not be liable for any special or consequential damages, and the sole extent of liability, if at all, shall not exceed the actual value of the Reward. You agree that any claim under these Terms and Conditions must be brought within one (1) year after the cause of action arises, or such claim or cause of action shall be barred.

In the event a dispute arises in connection with transactions involving both your Checking Account and Rewards Credit Card Account or a dispute relates to the Program generally and you do not have a Rewards Credit Card Account, you agree the Arbitration provisions of the Checking Account Agreement will govern the resolution of the claim or controversy.
