KEY FACTS

Description	<p>A HELOC is a form of revolving credit for which your home serves as collateral. It can be secured by your primary or secondary residence located in a state where Regions has a branch. The Regions HELOC consists of two distinct periods:</p> <ul style="list-style-type: none"> The first 10 years of your HELOC are called the draw period. During this period, you may borrow from the HELOC up to your credit limit amount. As you repay your HELOC during the draw period, you may re-borrow up to your credit limit amount. The next 20 years of your HELOC are called the repayment period. During this period, you will not be able to borrow from the HELOC.
Purpose	<p>You may use your HELOC however you choose, such as for major home improvements, vacations, debt consolidation or overdraft protection*.</p> <p>*Proceeds may not be used for illegal purposes or internet gambling. HELOC may not be used for Overdraft Protection in Texas.</p>
Features	<ul style="list-style-type: none"> An Automatic Payment Option is available with a Regions checking account. No minimum draw amount is required (except for Texas properties where a minimum draw of \$4,000 is required). May be used for Overdraft Protection for your Regions checking account (except in Texas). When used as overdraft protection, a minimum draw of \$100 will be advanced from your HELOC and credited to your protected Regions checking account. The Conversion Option allows you to lock in all or a portion of your balance at a fixed interest rate for a fixed amount of time up to the existing maturity date of your HELOC (the end of the draw period for a HELOC secured by Texas property) by using the Loan in a Line feature. The fixed interest rate consists of your then-current HELOC rate plus a margin as identified in the credit agreement. Interest may be tax-deductible (consult your tax advisor).
Using your HELOC	<p>You can obtain advances in person at a Regions branch, by using your HELOC checks, by using your Visa® Platinum Card (excluding Texas properties) at an ATM, by making Online Banking transfers, or by calling the Regions Loan Servicing Department at 1-800-231-7493.</p>

APR will not be less than 3.75% and may increase but will not be greater than 18%. It will not increase or decrease more than 5% per year. ADDITIONAL INFORMATION (continued)

Promotional interest rate	Regions may offer a promotional interest rate for a specified length of time, after which the variable Periodic Rate in your agreement will apply. The promotional interest rate does not apply to overdraft advances or any Conversion Option, or if you fail to make any minimum payment within 60 days of its due date.
Rate discounts	An interest rate discount may be available based on other relationships with Regions or for having your loan payments automatically debited from your Regions checking account. Rate discounts are not applied to promotional interest rates.
Closing Costs	<ul style="list-style-type: none"> Closing costs are estimated to range between \$150 and \$2,000 and will be paid by Regions for lines up to \$250,000. For lines greater than \$250,000, Regions will pay up to \$500 in closing costs.
Loan to Value (LTV)	<ul style="list-style-type: none"> LTV is the maximum loan amount that Regions will lend based on the appraised value of your home, minus any current mortgage loan balance. <p>For example – 80% LTV of an appraised home value of \$175,000 is \$140,000, minus the current loan mortgage balance of \$100,000, equals \$40,000. That is the maximum loan amount that Regions could lend based on credit and other criteria. When homes located in Texas are pledged, the maximum loan amount cannot exceed 50% of the fair market value of the home and your total indebtedness on the home may not exceed 80%.</p>
Early closure fees	<ul style="list-style-type: none"> If you close your line within 24 months from the opening date, any third-party closing costs paid by Regions will be charged back to your line.
Overlimit fee	\$29 per occurrence when you cause your credit line to go over your credit limit.
Late fee	5% of the minimum loan payment amount (minimum of \$29 but no greater than \$100).
Managing your account	<ul style="list-style-type: none"> Your monthly payment is due on the same day each month. The account balance, account activity, available credit, minimum payment and payment due date will be shown on your monthly billing statement. You must make at least the minimum required payment by the payment due date shown on your monthly billing statement to avoid a late fee and help keep your HELOC in good standing. By making more than the minimum required payment you can reduce the amount of interest paid over the life of the HELOC.

WHAT TO EXPECT AFTER YOU APPLY

- All loans are subject to credit approval. In most cases a credit decision can be made within one business day. However, additional documentation or information, such as income verification and property, wind and flood insurance, may be required and could delay the credit decision and closing.
- Closing dates vary, but in most cases closing will occur within 32-42 business days from time of application.
- Federal regulations require a three-day waiting period after closing before proceeds can be available to you if the property is your primary residence. During this time, you have the right to cancel the HELOC with no obligation.
- Regions requires property insurance and, if applicable, wind and flood insurance during the term of the loan. Please note that Regions will not establish an escrow account for insurance premiums, taxes or other recurring charges you may be required to pay.
