Information on Inactive Regions Now Savings Accounts

An inactive account is defined as an account having no customer-initiated activity for a period of one (1) year. Customer-initiated activity includes deposits and withdrawals but does not include any fees and charges which may be assessed to the account by the Bank. Once your account becomes an inactive account (no customer-initiated activity for 365 consecutive days), you will be notified that your account may be converted to a Savings account which will be subject to the pricing schedule for Savings accounts. Your account will be converted to a Savings account 30 days following our notice to you unless prior to the end of the 30-day period:

1. You initiate activity (make a deposit or withdrawal) on your account, or
2. You contact the Bank and complete all steps required to change your account type to an account not subject to these procedures.

Please refer to the pricing schedule for Savings accounts in the “Savings Account Pricing Information” section for pricing information.

Interest Information

Interest is paid on your collected balance. The collected balance is the current posted balance in your account less any items deposited into your account for which we have not received credit. Interest Rates and Annual Percentage Yields (APYs) are set by Regions and are subject to change daily. You are paid the interest rate and APY corresponding to the collected balance in your account each day. For tiered rate accounts, the interest rate and APY vary, depending on the balance tiers shown. Interest earned on savings accounts is compounded daily and paid monthly. If you close your account before interest is credited, you will not receive the accrued interest.

Taxes

You are responsible for taxes due on interest, bonuses, and the value of any gift or incentive you may receive. Depending on the type of payment, Regions may report as income on IRS Form 1099-6 or 1099-MISC.

For accounts opened in Iowa, certain account fees are subject to Iowa State Tax of 6%, which will be assessed at the time the fee is charged, unless exempt.

Refund is limited to the Paid Overdraft Item fees charged to your account with respect to one day's processing. Contact your local branch or call 1-800-REGIONS (734-4667) for your fee refund. Paid Overdraft Item fees apply to items presented against insufficient available funds in your account, including a check, in-person withdrawal, ATM withdrawal, debit card transaction, or withdrawal by any other manual or electronic means whatsoever. Regions Overdraft Grace

If the available balance in your Consumer or Private Wealth checking account is overdrawn by more than \$5 after nightly processing of items presented on any business day ("Day 1"), you may avoid paid overdraft item fees for Day 1 paid overdraft items if by 8 p.m. Central Time on the next following business day ("Day 2") you make a deposit or transfer funds to your account sufficient to bring your available balance to an amount equal to or greater than negative \$5 (-\$5) after nightly processing of items presented and any bank fees assessed on Day 2. **This means that by 8 p.m. Central Time on Day 2 you must deposit or transfer an amount sufficient to cover both the Day 1 paid overdraft items and any new items and bank fees assessed that may be presented for payment, withdrawal or assessment on Day 2 with the result that your available balance after nightly processing for Day 2 is equal to or greater than negative \$5 (-\$5) (an "Overdraft Grace Deposit").** It is your responsibility to anticipate and be aware of any new items and any bank fees that may be presented for payment, withdrawal or assessment on Day 2 and to include funds for those items and fees in your Overdraft Grace Deposit. If your available balance after nightly processing of Day 2 items is overdrawn by more than \$5, we may charge paid overdraft item fees for the Day 1 paid overdraft items. These fees will be charged to your account on the next business day following Day 2.

Deposits and transfers you make to your account as Overdraft Grace Deposits are subject to the terms of our deposit agreement and our funds availability policy, the terms of applicable product and service agreements, and the provisions of applicable law and regulation. Under those terms and provisions, certain items you deposit or transfer may not be accepted as part of an Overdraft Grace Deposit (e.g., a check deposit may be subject to a funds availability hold). Also, certain deposit-taking facilities may have cutoff times earlier than 8 p.m. Central Time (e.g., our banking offices may close before 8 p.m. Central Time). We reserve the right to reject any deposit or transfer that does not conform to our business requirements or account or service terms and conditions, that does not meet the requirements of law or regulation, that we believe is unlawful or fraudulent, or that we believe puts our assets or operations at risk for any reason in our sole and absolute discretion.

Regions offers alert and notification services that can help you keep up with certain activity in your account, including activity that causes a negative available balance. For more information, visit <https://www.regions.com/digital-banking/mobile-banking/alerts-and-notifications>. You should enroll for these services to help ensure that you will have sufficient time to make an Overdraft Grace Deposit and take advantage of Regions Overdraft Grace in the event you overdraw your account's available balance.

Overdraft Protection

Overdraft Protection allows you to link your Regions checking account to an eligible Regions savings account, money market account, credit line, or credit card account. If you choose to enroll in Overdraft Protection, we may use the amount available for Overdraft Protection in the funding account to authorize and pay debit card and ATM transactions on the checking account that otherwise might be declined or cause an overdraft on the checking account. We also may use this available balance in the linked funding account to pay check and ACH items on the checking account that would otherwise be paid into overdraft for a fee or returned at no charge. If one or more transactions would overdraw the checking account, we will automatically transfer money to your checking account from your linked funding account, as provided in the Regions Deposit Agreement.

We generally transfer amounts from the designated funding account to the checking account in increments of \$10. If the available balance of the funding account is less than \$10, or the available balance of the funding account is less than the \$10 increment that otherwise would be transferred to cover the amount of the overdraft, we will transfer the full amount of the available balance of the funding account to the checking account. If the checking account still has an insufficient available balance to pay an overdraft item even after we advance available funds from the funding account, we may return the item or pay it into overdraft.

We do not charge a transfer fee for Overdraft Protection transfers.

Additional rules and fees on the various Overdraft Protection options are noted in the applicable customer agreements covering deposit accounts, credit cards, and credit lines. Funds advanced from a credit line or credit card account will accrue interest at the interest rate provided in the agreement for that account. Credit lines and credit cards are subject to credit approval.

Visit your nearest branch, call 1-800-REGIONS, or log in to Online Banking to set up Overdraft Protection.
